

As a Catholic school, we follow The Way the Truth and the Life programme for religious education. Through religious education, we develop our relationships and attitudes towards each other as well as to Christ. Religious education encompasses everything we do in the school and wider community. It is the core of our social and moral education, and as such is the basis on which we build our caring school community.

Throughout the year parents are invited and welcomed at school celebrations such as special assemblies, Masses and collective worship
