Our Lady's School

Weekly Newsletter

FRIDAY 16TH NOVEMBER 2018

Our School Council met to decide what activities we would do to raise funds for Children in Need Day. They have decided that we will have two activities:

1. Children may wear PJ's or 'Children in Need' T shirts / Ears etc. for school.
2. Also they have come up with the idea that we contribute to the 'Rickshaw Miles'. Children may bring their bike or scooter to school when they will be given the opportunity to complete laps of the playground. The number of laps will depend on their age. Any children who do not have a bike or scooter can complete their laps walking.

We ask that children wishing to take part either by wearing P J's / T shirts / Ears etc. AND / OR take part in our playground challenge make a contribution of £1. Children can take part in both activities if they wish.

'Children in Need Day' is Friday 16th November.

HEALTHY MINDS WORKSHOP

Your child will have brought home a letter this week about the parents workshop led by Halton Health Improvement Team on Monday 12th November here at school. At Our Lady's we have ensured that healthy minds is a key part of our school curriculum; this term all children have been exploring ways in which they can look after and manage their emotions – your child may have talked to you about 'Me Time'.

We would urge all parents to consider attending this workshop; it is an ideal opportunity to come together and discuss how we can support our children to manage in this ever changing world that we live in.

REMEMBRANCE MASS

Years 5 and 6 attended a special remembrance Mass on Wednesday to mark 100 years since the end of World War 1. The Mass was a joint celebration with St Augustines and St Martins schools. The children were a real credit to our school and enjoyed the opportunity to join the other two schools in our parish.

SCHOOL UNIFORM SUPPLIER

Following our recent survey with regards to school uniform I can confirm that as of September 2019 we will be using 'Touchline' to provide our uniforms. Mrs Ward will be meeting with them shortly to set up all the details and will send out the information in the Spring Term ready for orders to be made during the summer. We consulted with parents regarding a choice between a knitted jumper / cardigan or sweatshirt. There was a clear majority for sweatshirts so we will be sticking with the sweatshirt style jumper and cardigan.

CHILDHOOD FLU PROGRAMME

If you have signed up for the childhood flu immunisation programme, your child will receive their immunisation on Wednesday 14th November. If you have not returned your form but wish your child to receive the flu immunisation, please contact the school nurse team on 0151 495 5066

YEARS 3 AND 4 - P E LESSONS

Children in Year 3 and Year 4 will be participating in orienteering every Thursday from next week until the end of this term. As the sessions will take place outside the children will require

- Jogging bottoms
- Old trainers or wellies
- Outdoor coats (preferably water proof)
