

STRUCTURE OF GOVERNING BODY

Under an 'Instrument of Government' made by order of Halton Borough Council on 16th March 2015. The Governing Body of Our Lady's school is made up of

2 Parent Governors

1 Local Authority Governor

1 Staff Governor

1 Headteacher

7 Foundation Governors

During 2015, a Steering Committee was formed to review the roles and responsibilities of the governing body and to ensure that all members were active in supporting and challenging school improvement. The Steering Committee was formed following recommendations regarding good practice from the outstanding Governors training programme.

This exercise resulted in the restructure of the committees and cycle of meetings.

Five Sub Committees were formed, each with their own chair person and terms of reference. Each committee manages, supports and oversees different areas of school life at Our Lady's.
