

Sheila Parhizgar - Foundation Governor

Sheila has been a governor at Our Lady's school since 1986 and has seen many changes over the years. Her son attended the school and her Godson is now a pupil. She has recently retired from Riverside College where she was a tutor of Spanish, French and English for speakers of other languages. Sheila added "Language and Literacy are my particular areas of interest and I bring my knowledge in this fields to the governing body. As a practising Catholic, I am also keen on following the religious life of the school."
